I wish to have my yearly charge of \$ _____ for tuition for the 2023-24, school term divided into _____ payments at \$ _____ per payment beginning on _____, 2023.

I understand that these payments are due and payable on the first of each month and a service charge of \$30.00 will be added after the tenth of the month. Tuition can be broken into as many as 11 payments. The first payment is due September 1st. ***All fees are due by orientation. There is no exception to this policy.***

If an unpaid balance remains after 30 days, the account will be suspended and the student will be removed from school and not allowed to return until all outstanding balances have been paid. If it remains 45 days delinquent, the account will automatically be placed for collections.

One day's attendance constitutes financial responsibility for the entire month. No adjustment will be made for holidays or days absent due to illness. This includes each department of the school: Kindergarten, Elementary, Jr. & Sr. High.
